PROCEEDINGS AND DEBATES OF THE 104th CONGRESS, FIRST SESSION

Vol. 141

WASHINGTON, WEDNESDAY, NOVEMBER 29, 1995

No. 189

Senate

The Senate met at 10 a.m. and was called to order by the President pro tempore [Mr. THURMOND].

PRAYER

The Chaplain, Dr. Lloyd John Ogilvie, made the following announcement and offered prayer:

The Senate of the United States is a family. We care for each other, rejoice with each other, and suffer with each other. This morning, I announce to you that the former Chaplain, Dr. Richard Halverson, died last night. No person in recent history has done more to enable the Senate to be a family of caring people who support and encourage each other than Dr. Halverson.

Let us pray: Blessed living Holy God, Sovereign of this Nation and this Senate, we thank You for the way that You enrich our lives by the gift of persons who care. We praise You for the life of Richard Halverson, for 14 years the Chaplain of this Senate. We praise You for his integrity rooted in his intimate relationship with You that radiated upon his face and was communicated by his countenance. We thank You for the profound way that he cared for all of us and established deep relationships. He introduced people to You and helped them to grow as persons.

We bless and praise You now, Lord, as You are here with comfort and encouragement for us. You are with his wife, Doris, his sons, Chris and Steve, and his daughter, Debbie. Put Your arms of love around them, giving them hope.

Lord, we thank You this morning for the assurance that this life is but a small part of the whole of eternity and that death is only a transition in the midst of living for a man like Richard Halverson.

And so we thank You for him and praise You for Your enrichment of our lives through him. Through Jesus Christ, our Lord, Who has defeated the

power of death and reigns forever. Amen.

RECOGNITION OF THE MAJORITY LEADER

The PRESIDENT pro tempore. The able majority leader, Senator DOLE, is recognized.

TRIBUTE TO THE REVEREND DR. RICHARD HALVERSON

Mr. DOLE. Mr. President, as the Chaplain mentioned in his opening prayer, the Senate today is mourning the passing of Dr. Richard Halverson.

As all Senators know, Dr. Halverson served as our Chaplain from 1981 until his retirement earlier this year.

Throughout his service as Chaplain, Dr. Halverson was a friend and counselor not only to Senators, but to the entire Senate family.

As many of my colleagues said upon Dr. Halverson's retirement, from Senate staffers to elevator operators to police force members to electricians, it would be impossible to tell how many lives Dr. Halverson touched here on Capitol Hill.

He came to the Senate after many years of service to churches in Missouri, California, and Maryland. He was recognized worldwide as a great humanitarian and traveled extensively through his leadership of World Vision, the Campus Crusade for Christ, Christian College Consortium, and the prayer breakfast movement.

Mr. President, perhaps our colleague, Senator NUNN, said it best earlier this year when he called Dr. Halverson "our friend, our colleague, our mentor, our adviser and, most of all, our example."

Later today, Senator DASCHLE and I will be submitting a resolution of condolence to be delivered to the Halverson family. It is my intent to include all Members of the Senate as cosponsors of this resolution.

At this time, I ask unanimous consent that the RECORD stay open for 15 days so that Senators may offer tributes to Dr. Halverson, and that these tributes be printed as a Senate document.

The PRESIDING OFFICER (Mr. FRIST). Without objection, it is so ordered.

RECOGNITION OF THE MINORITY LEADER

The PRESIDING OFFICER. The Democratic leader is recognized.

CELEBRATING THE LIFE OF DR. RICHARD HALVERSON

Mr. DASCHLE. Mr. President, the majority leader has just spoken for all of us. There is not a person in the Senate today who has not had the good fortune to benefit from the friendship of Dr. Halverson.

Someone once said that life has no blessing like that of a good friend. Dr. Halverson was a good friend to all of us. Rather than mourn his death, it is appropriate to celebrate his life, because, indeed, it was a celebration of joy, of blessing. It was a recognition that through his religious belief, emanating every morning as he came to this Chamber, we all felt a little stronger, we all felt a little better, we all felt perhaps a little wiser, we all felt a little more able to work with each other. His contribution to his country and to this body will last for a long, long time.

So today we celebrate his life. We send our condolences to his wife, Doris, and his family. We wish them the best. We recognize that in life comes achievement, and with his achievement, we all are the better.

I yield the floor.

Mr. DOMENICI addressed the Chair.

The PRESIDING OFFICER. The Senator from New Mexico.

Mr. DOMENICI. Parliamentary inquiry, is it appropriate that I speak for 2 minutes?

The PRESIDING OFFICER. Without objection, it is so ordered.

ONE OF MY BEST FRIENDS

Mr. DOMENICI. Mr. President, later on, pursuant to the wishes of our leader, I will have much more to say about Reverend Halverson. I considered him to be one of my best friends in the whole world, but more than that, he cared for a lot of people. He was a true Chaplain, not just up here, but in the Halls and byways and offices of this place with families, with people who work for the Senate from the lowest paid to the highest paid. He took care of them.

He was very, very sick, particularly the last 3 weeks. I talked to his wife, Doris, this morning, his son Steven. Chris, his other son, was not there. It is kind of wonderful to see their expressions, because they obviously believe and they are very, very confident he is very happy today and that he is in everlasting life. That is marvelous to see, because that is just the way he would want their faith to be.

So not only to that family, but to all his large family here and everywhere in this city, and other places that he served, I think I can join with all of them in saying very simply that we thank God Almighty for sending people like Dr. Halverson to us.

I yield the floor.

Mr. CHAFEE addressed the Chair.

The PRESIDING OFFICER. The Senator from Rhode Island.

A CONSTANT GOOD EXAMPLE—DR. RICHARD HALVERSON

Mr. CHAFEE. Mr. President, I think the words that we "celebrate the life of Richard Halverson" are appropriate. Richard Halverson, as has been pointed out, served as Chaplain here for 16 years.

As has been mentioned, he did not restrict his duties to just the opening prayer. He came to see us when we had difficulties. He was a constant mentor, as has previously been suggested, and a constant good example. He epitomized what leading the Christian life is all about.

So we have been blessed to have known him. His life is one we all should celebrate and try to emulate to the greatest extent possible. So to all of his family, we send our very best wishes at this extremely difficult time, and our deepest condolences.

Mr. KEMPTHORNE addressed the Chair.

The PRESIDING OFFICER. The Senator from Idaho [Mr. KEMPTHORNE] is recognized.

OUR LIVES WERE ENRICHED BY DR. RICHARD HALVERSON

Mr. KEMPTHORNE. Mr. President, I join in the statements that have been

made here this morning and say that our lives have been so enriched by Dr. Halverson. He was the U.S. Senate Chaplain, but he was a friend of the Senators of this institution.

In our roles, so often we need to have that camaraderie, that facilitator that can help us in finding that higher wisdom and the inner peace. Richard Halverson provided that to us. I know now that he has that inner peace, and we share, as has been stated in the blessings, having him as part of our lives here.

Our prayers are with him, as well as with Doris, Chris, and all of the family. We thank the Lord for providing him to us.

I yield the floor.

Mr. DOLE addressed the Chair.

The PRESIDING OFFICER. The majority leader is recognized.

SCHEDULE

Mr. DOLE. Mr. President, briefly, I advise my colleagues that, as indicated, we will begin consideration of S. 1316, the Safe Drinking Water Act. It is also possible that during today's session the Senate will consider the VA-HUD appropriations conference report, if it is received from the House. I think it is fair to say that we will have roll-call votes. I understand that Senator CHAFEE will be indicating there are a number of amendments. Some will require rollcalls.

We hope to complete action on the Safe Drinking Water Act, if not late today, by some time late afternoon tomorrow. At that time, I hope to announce the schedule for the remainder of the week. It may be that there may be a pro forma session only on Friday, or, if possible, we could take up additional conference reports if received from the House.

I yield the floor.

RESERVATION OF LEADER TIME

The PRESIDING OFFICER. Under the previous order, the leadership time is reserved.

(The parts of the bill intended to be stricken are shown in boldface brackets and the parts of the bill intended to be inserted are shown in italic.)

SEC. 2. FINDINGS.

Congress finds that—

(1) safe drinking water is essential to the protection of public health;

(2) because the requirements of title XIV of the Public Health Service Act (commonly known as the "Safe Drinking Water Act") (42 U.S.C. 300f et seq.) now exceed the financial and technical capacity of some public water systems, especially many small public water systems, the Federal Government needs to provide assistance to communities to help the communities meet Federal drinking water requirements;

(3) the Federal Government commits to take steps to foster and maintain a genuine partnership with the States in the administration and implementation of the Safe Drinking Water Act;

(4) States play a central role in the implementation of safe drinking water programs, and States need increased financial resources and appropriate flexibility to ensure the prompt and effective development and implementation of drinking water programs;

(5) the existing process for the assessment and regulation of additional drinking water contaminants needs to be revised and improved to ensure that there is a sound scientific basis for drinking water regulations
